0 of 3 people found the following review helpful. Social Science in Law Review By Crystal Bryant I received the book in a timely fashion. the book was in perfect condition. I would definitely purchase from this seller again.

The publication incorporates Dauber v. Merrill Dow Pharmaceuticals, Inc., the United States Supreme Court's landmark decision on scientific evidence in addition to new Daubert-based cases cited throughout the book. The book offers an in-depth discussion of the growing use of survey methods to establish damages in mass tort cases. The authors have integrated the latest Web site addresses to aid in further social science and legal research. It includes selections from two handbooks: the Federal J ...
