It's in good condition!

Early adopters of Cyberspace Law: Cases and Materials were particularly pleased by how flexible, coherent, and practical the book is. Now strengthened and scrupulously updated for its Third Edition, this engaging casebook can help your students understand one of the most dynamic areas of law. Written and structured for maximum effectiveness, the book:

- Can be used successfully in both introductory and advanced courses;*
- Uses practical, classroom-tested "real world" problems to help students a ...*
